Maintenance time and costs are reduced with a new consolidated maintenance protocol for all Genie® S® Telescopic Booms, Z® Articulated Booms, GS™ Scissor Lifts and GTH™ Telehandlers in North America. Following updated procedures and simplified intervals, the new Genie maintenance instructions provide rental store owners the flexibility needed to keep their equipment on rent longer while making routine tasks a priority. Schematics & Diagrams Quick Reference (Prior to 2000) The Skyjack SJIII 3219 is a compact electric scissor lift, featuring a 5.79 metre raised platform height, which allows for a working reach of 7.79 metres. It is ideal for working at height, and is suitable for professionals, such as electricians, engineers, decorators, quantity surveyors, and more. The Skyjack SJIII 3219 is a compact electric scissor lift featuring a 5.79 metre raised platform height, which allows for a working reach of 7.79 metres. It is ideal for working at height and is suitable for professionals, such as electricians, engineers, decorators, quantity surveyors, and more. This DC electric scissor lift is quiet in operation and does not produce any emissions, so it is perfect for indoor applications. You can also use it outdoors on flat surfaces. The Skyjack 3219 electric scissor lift is self-propelled and has user-friendly controls that allow you to manoeuvre the unit carefully and accurately. The front-wheel-drive allows for sharp turning, and because of the small footprint, this is ideal for confined working spaces. The Skyjack 3219 can also be driven when fully extended for convenience on-site. This scissor lift features a 0.66-metre by 1.63-metre working platform, with a 0.91-metre roll out extension deck that increases working outreach safely, preventing users from stretching. The platform has a working load limit of 249kg and is suitable for two persons plus equipment. This electric scissor lift allows for safe access to high levels and overhead areas. It has a hinged railing system, dual holding brakes, low voltage battery protection, pothole protection, tilt alarms, drive and lift cut-out, overload protection, lowering warning, and an operator horn. This scissor lift is designed to ensure the safety and wellbeing of the operators and others present. Book Online. Insurance Included. Free delivery & collection We follow up all online bookings with a call back to confirm documentation, complete a secure check of two forms of ID, and take a deposit of £500. Delivery to site and collection is provided for free.
